Commander's Report

This first issue of the "STORMTROOPER" was planned in November and December of 1961.

But running the Nazi Party and publishing our material is not like running a business or publishing an ordinary paper: It is much more like conducting a war.

COMBAT CONDITIONS

We must operate under what can only be described as combat conditions. Our schedules and plans must be sufficiently flexible to allow for the constant attacks upon us by the massed forces of the enemy. The attacks are not merely mental or legal, they are often physical and involve shooting and bombing attacks on the headquarters and brutal attacks on the members of the Party.

In addition, there are many legal attacks. As this is written, we have at least six people, including the Deputy Commander, Major Morgan, in jail and others out on bond. All of these cases must be fought with every ounce of our energy - usually without funds or lawyers.

Four 'Storm Troopers' on Picket Line Beaten

U.S. Nazi Party Members in Uniform Set On by 10 Men Outside Book Store

LOS ANGELES

Four American Nazi Party "storm troopers," wearing tan uniforms and swastika armbands, were beaten by 10 men Saturday as they were picketing a book store at 1806 W 7th St.

Officers quickly broke up the melee and arrested three asserted attackers on a citizen's complaint filed by one of the self-styled Nazis. All three pickets were cut and bruised.

Booked at City Jail on suspicion of battery were Charles Keller, 70, a retired butcher of 669 S Union Ave., James R. Mine, 32, a laborer of 1527 W 7th St., and Bill Ogrendy, 22, a welder, of 1800 W 7th St.

Complaint by Leader

The citizen's complaint was made by the leader of the pickets, "Lt." Leonard Holstein, 21, of 709 Prairie Ave., Hawthorne, who police said claimed to be part Jewish.

Picketing the Progressive Book Store with Holstein were Bob Lewton, 24, of 863 Curtis St., Pomona; John Gillette, 23, of 3018½ Division St., Los Angeles, and Kenneth Raven, 27, of 2260 Normandie Ave., Torrance.

Lewton and Raven were treated for head cuts at Central Emergency Hospital and released. Holstein also suffered minor cuts and bruises.

Placards Carried

Sgt. Frank Moran said the three pickets carried placards reading "Death to the Commie Traitors" and "Don't Buy Red China's Filth."

Sgt. Moran said Keller, Mine and Ogrendy claimed the pickets attacked them first but that an investigation showed the Nazi Party members were picketing peacefully when the 10 men, who had come out of a nearby bar, accosted them.

2 Trampling 'Flag' Guilty

D.C.

Two American Nazi Party members have been found guilty of disorderly conduct for trampling a home-made "Russian flag" in front of the Justice Department on March 17.

Karl R. Allen, 31, the party secretary, and Bernard F. Davids, 21, a printer, were arrested while counterpicketing a desegregation demonstation. Both gave their addresses as 928 North Randolph street, Arlington, headquarters of George Lincoln Rockwell's group.

The guilty finding followed a 90-minute trial yesterday at Municipal Court. Judge Mildred E. Reeves deferred sentencing to April 12. The men remained free on $10 bond each.

The so-called Russian flag actually was a red banner with a hammer and sickle in the center, not in its proper position in the upper left-hand corner. It represented "international communism," the two men said.

Genuine or not, Assistant Corporation Counsel Clark F. King said, it was intended to pass as a Russian flag and the men intended to malign a foreign nation in violation of District law. He said the presence of a crowd added to the disorder.

Defense attorneys William A. Bachrach and Frederick C. Timberlake said Russia has maligned itself by its policies. No American would be offended by trampling of a Russian flag, real or not, they said.

Judge Reeves said Americans should give Russian symbols the same respect as we expect Russians to give American symbols.

OUR MEN GOT 10 DAYS IN PRISON!!

Further, since we first planned this issue of the "STORMTROOPER" we have managed to set up major headquarters in Chicago and Los Angeles and minor units or nuclei in Jacksonville, Houston, New York and other cities, where we will eventually have major headquarters. Besides all of this, there is the constant struggle with the Jewish "paper curtain" - the smear or "silent treatment" in all media of information and education, which we have managed to force to our will.

Whenever it becomes apparent that I can secure a significant propaganda victory in these media, which will result in front-page headlines and make more Americans aware of the American Nazi Party and what we stand for, it is poor strategy to downgrade this opportunity in order to publish any paper whatsoever, with which we can reach only a very small number of people.

For all these reasons we have continually put off the publication of this first issue of the "STORMTROOPER" - even though much of the material was actually set in type, until almost all of the material we had ready was superceded in importance and outdated by the sweeping successes won by the Party in recent months. This issue of the "STORMTROOPER", therefore, will consist mostly of the narrative of events and developments during my recent swing around the country and subsequent events in Washington leading up to the General Walker situation. We have removed from this issue many of the regular features which were planned and which will appear in future issues. We think it is better to get something out to those who have subscribed to the National Socialist Bulletin rather than keep trying to revise and patch up the outdated articles and features that we did have.

We ask subscribers to understand why there have been no issues of the magazine for the past four months and to rest assured that future issues will appear regularly every two months as originally planned. All regular subscribers will receive a total of six issues of the National Socialist Bulletin or this, its successor, "THE STORMTROOPER".

* * * * * * * * *

Throughout the United States almost every TV station has some regular interviewer who appears every so often with off-the-cuff interviews of controversial or interesting people.

Such a one is Tom Duggan in Los Angeles. Duggan, who is an Irishman originally from Boston and who has the quaint combination of Joe McCarthy and Harry Truman as his "heroes", has a tremendous listenership on the West Coast. Sometime during the month of February he had on his program for an interview one of the chief functionaries of the California Communist Party - Dorothy Healy. During this program telephone calls are accepted from the general public. One of the calls was from somebody who asked if Mr. Duggan would give the anti-communist American Nazi Party an equal opportunity to reply to the program of Dorothy Healy, the communist. Mr. Duggan replied on the TV that he would be happy to have myself, as the Commander of the American Nazi Party, appear on his program.

WE ACCEPT OFFER

One of our staunch supporters on the West Coast, who has since become second in command of the Los Angeles division of the American Nazi Party, Robert Lewton, immediately called Mr. Duggan and asked if he would like to set a date and make definite arrangements for my ap-

pearance on Duggan's program. Mr. Duggan replied affirmatively and asked me to send a confirming wire of the scheduled television broadcast on March 2, 1962, which I did.

Although the Party was (and continues to be) in severe financial straits, I decided that a solid hour and a half of opportunity to explain the position of the American Nazi Party to millions on the West Coast would be worth almost any sacrifice whatsoever. However, since there were many other situations where I thought I could do a lot of good on the way to and from Los Angeles, I tried to plan the trip in such a manner as to do all I possibly could for the Cause en route and returning.

I was also scheduled to speak in Lewisburg, Pennsylvania, where we had obtained permission to speak from the Federal Building steps after having been denied permission several times. Also I was invited by Elijah Muhammad, the leader of the Black Muslim movement, to address his National Convention in Chicago, which fell on the same day as the scheduled speech in Lewisburg, Pennsylvania.

PONY-EXPRESS SCHEDULE

At first therefore, I made arrangements for all sorts of "pony-express"-type pickups and change-overs so that I could speak in Lewisburg and still catch a plane to Chicago in time for the speech the same day at the Black Muslim convention.

The weather forecaster, however, indicated very unfavorable conditions for the speech in Lewisburg. So, especially in view of the extra expense involved, we decided to take a "rain check" on the Lewisburg speech and I proceeded directly to Chicago and the Black Muslim convention.

I took a plane from Baltimore's Friendship Airport to Chicago on February 25th and had an interesting experience on the way.

On the ramp to board the plane I recognized Barry Goldwater walking towards me to catch another plane to California. He saw me just as I saw him. I spread a large, irritating grin across my face but he lowered his head and dodged past me in utter horror.

THE BLACK MUSLIMS

I was met at O'Hare International Airport by a squad of American Nazi Party storm-troopers and escorted to a waiting automobile followed by the F.B.I., local police officers and the press.

We drove to the impressive Chicago Nazi headquarters at 2124 N. Damen Street, where Captain Mal Lambert and Lt. Mat Koehl have converted a large two-storey square building into a book store, large meeting hall, garage and repair shop, with a smaller meeting hall, apartments and mess hall on the top floor.

Party Headquarters at 2124 N. Damen Street, Chicago,

The Commander, (center, right) congratulates Captain Lambert, officer in charge of Chicago, at his Commissioning in new Headquarters.

Captain Lambert, the Party officers and ten storm-troopers accompanied me in uniform to the amphitheatre where the Muslims were meeting.

Outside the huge arena there were several white people waiting in the line to attend the Muslim convention and among them a young lady who thought, as she saw us arriving in uniform, that we were coming to attempt to disrupt the meeting. She became almost hysterical and screamed at us not to try it, as the Black Muslims were supposed to be very "terrible"! I assured her there would be no difficulty, and we went inside, where we were welcomed by Elijah Muhammad's very impressive "storm troops" (which he calls the "Fruit of Islam").

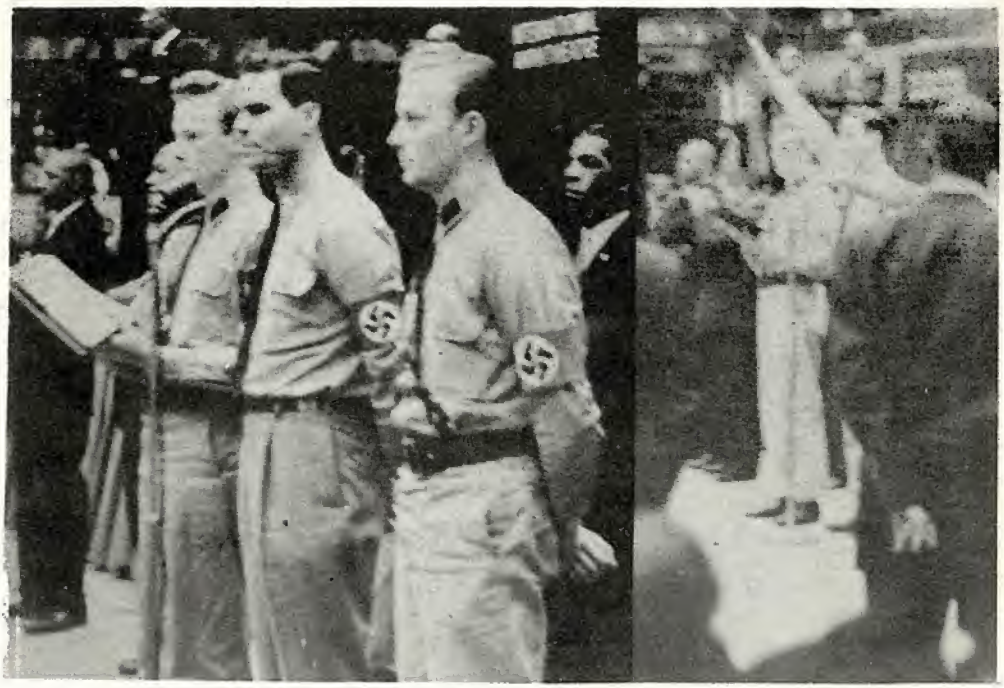
We were all searched, as is everybody attending a Muslim meeting, an understandable precaution in view of the possibility of violence or disorder by the enemy. We shall have to take similar precautions when we are able to have as large meetings as this. We were ushered into the gigantic auditorium by platoons of his guards and were taken down to the very front of the amphitheatre and given seats directly in front of the stage upon which were seated the leaders of the Black Muslims movement from all over the country. There were dozens of TV and newsmen who took thousands of pictures. The same Jew woman from Life, who follows Elijah Muhammad and us around, was there taking more unpublished pictures which must be piling up into a mountain at Life.

Finally Elijah Muhammad himself emerged from the wings amidst tumultuous applause and cheers as the entire audience of 12,500 Black Muslims rose and greeted their leader.

The honorable Elijah Muhammad spoke at some length, with many interruptions for cheers, as he stated that the black man does not and should not want to mix with the white man; should not come begging with his hat in his hand to integrate but rather should seek to build his own society and his own land like other races have and as all our early leaders like Washington, Jefferson, Madison, Lincoln and Monroe suggested.

Upon the conclusion of his address, I was invited to speak.

I marched up to the microphones flanked by Chicago Storm Troopers Wayne and Don Mueller (strapping, twin Nordic specimens) and stood silent for a few moments before that vast throng of black men and women.



CHEERED BY BLACK ALLIES

Then I told them forcefully that I was neither a hypocrite nor a coward and would not be afraid to speak what was in my heart. I told them that I had many times told assemblies of Jews that most Jews, in my opinion, are committing treason and would have to be gassed, and that if I opposed Negroes, just for being Negroes, I would have no hesitancy standing before them and telling them so. But instead, I told them, I believe and the American Nazi Party believes, that the black man has had a rotten deal in America, and, even though we have no intention of mixing with them, we do not want to hurt them. We feel that we owe our own black men the millions of "foreign aid" now being poured out by our nation to communist countries.

Again and again I was cheered and applauded by these black men who are supposed to be, as we are, "hate men"!

At the conclusion of my address I came to attention, raised my arm in the Nazi salute and shouted "Heil Hitler!". All ten of the other Nazis in the front row faced me, rose and returned the Nazi salute!

MUHAMMAD SPEAKS

CIRCULATION OVER 225,000 WITH MORE THAN 900,000 READERS AND STILL GROWING!

Chicago, Illinois — April 1962

Have Spoiled

The white race has spoiled and robbed us. These men (the White Circle and the Nazis) bear witness that they have. What right you have to say "I don't want you to say nothing for me?" I say my hat is off to any white man who wants to be white! Because I don't want to be white. I want to be what I am. And I'm not seeking his society to try and make myself white. I don't want his woman. I want my black woman.

Boldly Speaking

Every time a so-called Negro comes out boldly speaking for the justice and freedom of his own people, we always have a Tom with a long tongue out ready to lick boots. Mr. Rockwell (American Nazi party) has spoke well. He has lived up to his name. He is not asking you and me to follow him. He endorsed the stand for self that you and I are taking. Why should not you applaud? No other white people want you to do such a thing. His own people will hurt him or try to hurt him, you heard what he said, just because they have taken a stand to see that you be separated to get justice and freedom from another people and not from the people that you have been begging for fifty or more years.

I had my minister to stand up. What right have you to sit there and hold your hand when you know he is telling the truth? No, the trouble of it is you are scared to death! You don't want the white slavemaster to say, "I heard that you were there listening and enjoying the German Nazis, or the White Circle Leader. What do we care if they are white? If they are speaking the truth for us, what do we care? We'll stand on our heads and applaud! Then you will say Elijah is a Nazi. Elijah is a White Circle Leader. I couldn't be one of them as they are after building a clean society for white people, I'm after building a clean society for black people. God is with us and the people of the righteous are with us.

I say unite with me, brothers and sisters, leave the bootlickers licking! Unite with me. Make a stand for a country wherein that you can build a civilization for yourself.

Be Yourself

Be yourself! It is encumbant upon you to try to be yourself! It is indecent, evil and ignorant for you to try to be other than what you really are! I want to bring your attention to the fact that God separated the son from Adam.

PORTION of MUHAMMAD'S COMMENTS ON COMDR'S SPEECH

At this there was first applause and then scattered boos by some of the audience, who were a bit confused after all the brain-washing of TV.

I sat down and waited further developments.

A very rich Negro then came to the microphone on behalf of the NAACP and began to rant and rave and shout so loudly that he overloaded the mike and his address was unintelligible. He was so filled with hate at the sight of these two groups working in harmony towards the common goal of a free and wholesome destiny for both the white and the black people separately that he was beside himself with HATE.

Following him was a man who said he was an Arab, but appeared to be a Jew, who told the assembled black men that during WW II and before WW II, thousands of Nazi storm-troopers were goose-stepping through Africa, beating and torturing the native Negroes there! It appeared that many of the Muslims were taken in by this gross lie, and I wondered what would be Elijah Muhammad's reaction.

Finally, Elijah Muhammad rose again and stepped up to the microphone.

A great hush fell over the packed hall as he began to speak. Elijah Muhammad did not back away one inch from his support of the truth, regardless of who was preaching it. He said, "I take my hat off to any white man who wants to stay white! I do not want to be white! I want to be what I am! I do not want the white man's woman. I want my own woman!"

Commander Rockwell speaking at the
Black Muslim convention, Feb. 1962

Elijah Muhammad continued in that vein, in absolute support of our strong position, and would not cringe or cower even though he knew he would be smeared as a "Nazi lover".

At the conclusion of the address we left the meeting and filed out in the midst of thousands and thousands of Negro prople, with absolutely no disorder whatsoever.

HIT CHICAGO FRONT PAGES

The newspapers, as might be expected, tried to cover up the entire proceeding, but not before we had made the front page of the early editions of the Chicago papers before the Jews got on duty to get this tremendous news story squelched.

George Lincoln Rockwell (second from right) and three members of his American Nazi Party are intent listeners in the International Amphitheatre. They attend Black Muslim organization's first major rally of 1962.

ROCKWELL PRAISES ELIJAH HERE

Black Muslims Hear U.S. Nazi

Some 5,000 followers of Elijah Muhammad heard American Nazi George Lincoln Rockwell praise their leader Sunday.

Muhammad heads a Negro supremacist cult which seeks granting of a part of the United States exclusively for Negro use.

Sunday's meeting, to which all Negro leaders had been invited, was the annual convention of the Black Muslims at the International Amphitheatre, 42d and Halsted.

In Uniform

Rockwell, attired in Nazi uniform and accompanied by 10 similarly uniformed followers, told the audience:

"I am proud to stand here before black men. I believe Elijah Muhammad will solve the race problem. We don't want to integrate. I think Elijah Muhammad is the Adolf Hitler of the black man."

Rockwell said he understood the plight of the Negro, since he, too, had been in prison and even in an insane asylum.

Attacks 'Beatniks'

"Elijah Muhammad is a leader who is trying what I am trying to do. In the past, if the black people had wanted to slaughter the white people they would have some cause."

Rockwell attacked "the hypocrites who are leading this country, the beatniks in Washington.

He also lashed out at the National Assn. for the Advancement of Colored People and the Congress of Racial Equality, saying, ("Do black people have to go and get Jews to lead them?) Just as Elijah Muhammad is leading the field slaves, we are leading the common people who are with us."

Boo Hitler Remarks

Rockwell then asked the audience if they could recognize the quotation, "The ugliest thing in the world is slavery." Rockwell attributed the quotation to Hitler.

The American Nazi leader concluded by raising his arm in salute and shouting "Heil Hitler!" His 10 followers responded by rising and returning the salute, also shouting "Heil Hitler!"

This concluding note was roundly booed by the audience. Rockwell's speech received a mixed reception. The listeners applauded an endorsement of Elijah Muhammad, but reacted unfavorably to his championing Hitler.

Rockwell also said his Arlington (Va.) headquarters had been attacked "with guns" Saturday night.

VICTORY IN THE WEST

From Chicago I took a Continental super-jet to Los Angeles and arrived at Los Angeles International Airport about 1:30 in the afternoon. I was met by Robert Lewton and other Los Angeles storm-troopers who had managed to get an automobile out on the field to pick me up.

A large contingent of reporters and TV cameramen interviewed me in the waiting room of the airport and I was able once more to emphasize the Jewishness of communism and integration on a tremendous TV hook-up.

Storm Trooper Lewton had already arranged a room for me at the Mayfair Hotel in Pomona, which lies about 35 or 40 miles east of Los Angeles and we proceeded to this room from the airport.

Since we were so low on funds it had been impossible for me to take my usual body guards and I was somewhat worried about staying alone in the hotel in Pomona. But the management appeared honest and, in fact, provided us with facilities for the press conference the next day. I also procured a P-38 pistol and kept it handy all the time I was in the hotel alone. I slept with it in my hand.

At the press conference the next day I was able to get a tremendous amount of truth into the papers and TV and other media of Los Angeles, which must have awakened a great many people as to what it is we are really trying to preach and do.

'TOMORROW THE WORLD'—Self-styled "Fuehrer" of American Nazi Party, George Lincoln Rockwell, points to his recent book on party's aims. Rockwell is in Pomona on week-long visit to organize Nazi Party in Los Angeles area. Rockwell said he will also recruit for the Black Muslims, a black supremacy group. He claims 300 Southlanders are active in American Nazi Party and predicts he will lead nation within 10 years. —Tribune Photo by Dick Gibson

Once again, our technique of being so NEWS-WORTHY that they CANNOT ignore us or lie about us too grossly forced the Jews to give us the use of their own mass media of communication for our deadly truths. Hundreds of pictures of the news conference (including pictures of my autobiography "This Time The World") and literally thousands of lines of copy about the Jewish question were printed all over the area in the many local papers which abound around Los Angeles.

They actually printed the name of the hotel where I was staying! I was quite perturbed at this the first night afterwards, because now every Jew in Los Angeles, of course, knew where I was. And I had had some experience with these lovers of peace and tolerance, and momentarily expected them to apply their final "argument"

TWO ATTACKS

However, only two persons, both of them intoxicated, attempted to crash into the room, and the sight of the P-38 and my determination to use it if necessary quickly sent them packing.

I watched the "Tom Duggan Show" two nights before I was to appear, and almost a major subject of conversation was the scheduled interview. Mr. Duggan stated that he expected a larger audience than he had probably ever had for the Rockwell show.

Nevertheless on the following night, in the middle of his show, when he was discussing my coming appearance he was handed a telegram which I believe was from New York. Suddenly he announced that he had been ordered by the top echelon to cancel my appearance.

Immediately the switchboards were overwhelmed with calls and he stated so on the show. In fact the calls continued for almost a week - people protesting the calcellation of my appearance.

SOLO PICKET

The following night, Friday night, March 2nd, I picketted in full Nazi uniform and alone in front of the studio where I was to have appeared with Mr. Duggan. For awhile it looked as though it might be a little "hairy". The studio is right on Hollywood Boulevard and I was surrounded by Jews and hoodlums. But I marched resolutely up and down in front of them with a sign pointing out that communists were allowed to appear on Mr. Duggan's show but anti-communists were muzzled. Mr. Duggan himself appeared out front and made some remarks which I could not hear and there was plenty of TV and newsreel coverage of the picketting.

Simultaneously, as I picketted Los Angeles, our Party in Washington was picketting the White House; the Nazi Party in Chicago was picketting the communist headquarters and three very courageous men, Captain Seth D. Ryan, Storm Trooper Paul Uhrig and Storm Leader Anthony Wells were picketting in New York City, also against the communists.

This is the first time that we have been able to mount a simultaneous uniformed Nazi picket in four cities throughout the United States successfully.

All three of our brave lads in New York were arrested within ten minutes and dragged off to jail on a charge of "wearing the uniform of a foreign country". (!) At the hearing they asked repeatedly to be informed WHAT foreign government the uniform was supposed to represent. The prosecutor was unable to give any answer, but they were nevertheless held in bail of $ 500 each, which they were unable to raise. None of the bondsmen, who were almost 100% Jews, would bail them out, although they provide bail for rapists, killers, etc. Only a Negro bondsman was good enough to provide this service.

The men are now out on bond awaiting trial, which has been twice put off while the District Attorney has further time (60 days) to try to find a foreign country using the swastika as a symbol. (We don't expect they will have much luck!)

NOTICE

Commander's Second National Speaking Tour Now Being Scheduled!

About the end of July, Commander Rockwell will start a three month circuit of the United States.

We already have speaking engagements for the Commander at four colleges, and many others are struggling with their administrations for the right to hear anti-Communists as well as the Communists they have been hearing under the protective blanket of "Academic Freedom".

The Commander will also be available for private meetings with our members, supporters and friends, or for orderly demonstrations.

If you want to meet and work with the man who is the acknowledged leader of the resurgent spirit of our Nordic and Viking ancestors in the world today, --the man the Jews and Communists call the "foremost spreader of hate and venom now living", -you should write immediately to Lt. Bernard Davids, Speakers' Bureau, Annex, American Nazi Party, 928 North Randolph Street, Arlington. Virginia.

If you want to hear the WHITE MAN'S LEADER speak and put new life into your local unit, let us know RIGHT AWAY so we can efficiently plan a successful visit in your area.

My next effort in Los Angeles was a speech in Pershing Square, which is the counter-part of Union Square in New York City. This is the park in the center of Los Angeles where any person is allowed to speak out freely. I went there at the time which had been announced in all the papers, on TV, etc. I was accompanied by Leonard Holstein (who has been appointed Lieutenant in charge of our California branch), Bob Lewton and Dick Anderson of Pomona. We proceeded to the spot in Pershing Square which had been designated by police for our speech. Large TV cameras and other equipment had been set up to cover the area and we could see hundreds of policemen, police cars and riot squads cached away all around the block. But only one policeman in Pershing Square.

I stood up on the little curbstone inside the Square. But before I could get my mouth open it was exactly like the riot in Washington, when the Jews came in organized mobs to create disorder purposely. Hundreds of the worst looking Jews we had ever seen appeared, some wearing Jew War Veteran's caps, shouting, spitting and screaming. They got so close they finally began to push and shove. As I opened my mouth to begin "My fellow Americans..." one Jew spit right in my mouth! The policeman was "not looking" at this outrage nor did he see the subsequent mauling to which the three of us were subjected by these Jews who expected to get us locked up by provoking us into "felonious assault". It was obvious that we would get very little "justice" in this situation, so we had to take it.

"DEAD JEWS"-MADE IN HOLLYWOOD

There were two or three scuffles but we were able to avoid total combat. I was never able to say word one, because every time I opened my mouth they would begin the spitting and the screaming act. One Jew had the job of running around to cover up the TV camera with a large stock picture of dead Jews piled up like cord wood. Every time the TV camera tried to take a picture of me, this vile Jew would jump up and hold his Hollywood picture of dead Jews in front of the lens and scream like a banshee.

They were also showing their concentration camp numbers, the false teeth, Hollywood pictures of baby shoes and the eye glass bit and generally carrying on like Jews in a manner to disgust everybody present.

At length a squad of officers appeared with a loud speaker and I thought we were to be seized for riot or some other similar charge. But instead the officer mounted a bench and announced that it was an "unlawful assembly"! He directed the crowd to disperse.

JEW ASSEMBLY NOT "UNLAWFUL"

Deciding that there was much more that I could do in California than to be arrested and locked up for "unlawful assembly", we dispersed. But as we left the park, we saw the same gang of Jews had again gathered and the Jew War Veteran was showing his typewriter wounds and his sore arm from counting blankets. He was making a great speech! But he was

not ordered to disperse, with the same crowd.

This may all seem like a great waste of time because it was not covered at all in the press. But it was actually a tremendous success from one point of view, usually overlooked by these Hebrew apostles of tolerance.

The CBS correspondant who had done most of the CBS "White-Paper" on the right-wing was present and Lt. Holstein informed me that up until that time he had been extremely nasty and vile to us. But after the episode in Pershing Square this top correspondant from CBS told me that he was thoroughly disgusted with the exhibition put on by the Jews. After that he was very friendly and I might say almost helpful to us.

Thus, once again we proved that Nazis cannot loose.

If we are able to speak, we convince people by our facts, our logic, our argument, our sincerity and our courage that we are right.

JEWS EXPOSE THEMSELVES

If the Jews succeed in stopping us from speaking by violence and disorder they are so vile, repulsive and obnoxious that they DEMONSTRATE to all these bystanders (and even more important, the newsmen and policemen) exactly what they ARE. We don't have to preach what everybody can see - that these Jews are intolerant, hateful TERRORISTS!

When I returned to my hotel room in Pomona I was swamped with messages to call TV and radio stations, newspapers, etc., and many colleges. These included Reed College in Oregon, Los Angeles College, Pomona College, University of California and San Diego State College, all wanting me to make speeches or give interviews. In fact I spent almost an entire day on the telephone negotiating with these various people for closely-spaced appointments and had to cancel many which I could not make. I did agree to speak at San Diego State College, since I was informed that San Diego has a great many people with strong right-wing pro-American sentiments.

We drove to San Diego State University starting at dawn on Thursday, March 8. With me I had only Lt. Holstein and Bob Lewton, since we had been unable to contact enough of our other members and affiliates in the area in time to make the trip or they were busy with their jobs.

At the appointed hour with Lt. Holstein, Bob Lewton and Mrs. Holstein we were met by the committee at San Diego State University which had invited us, which included the President of the student body, Boyd Malloy, a man named Rassmusson and another gentleman by the name of Goodman. They led us into the huge open-air amphitheatre like the Hollywood Bowl where approximately three thousand people were gathered to hear the speech.

The Jews, as usual, were hysterically screaming, running up and down with picket signs, jumping from tier to tier and shouting. They were also passing out a hysterical little sheet announcing my very immediate demise and what a useless, worthless man I was and how they didn't mind listening to what I had to say because it was so idiotic that it would quickly discredit itself among the students.

Before I started the speech a large number of news correspondants and TV crews wanted interviews and other information so I held a little press conference off to one side of the stage in full view of the audience which remained fairly peaceful and expectant.

Finally Mr. Goodman, who appeared to be in charge of the committee, stepped to the microphone and gave his introduction, carefully explaining that, since they had invited previously communists, and another communist was scheduled to follow me in one week, he felt that the student body owed it to me to hear us at least without disorder.

I stepped forward and was greeted almost by silence except for a few Bronx cheers from the Bronx-type characters.

I began to speak about the principles of National Socialism - the ideas that the common interest must come before self-interest, that race was the most important factor in history, and that the American Constitutional Republic was and is the golden mean between the total "order" (and tyranny) of the extreme right and the total disorder (and anarchy) of the extreme left.

DOING OK

I was doing quite well at this when the Jews began to see that I was making obvious progress with the student body, which was listening with growing interest. At this point they began to raise a rumpus which I could out-shout with the loud speaker, - but which completely distracted the students and began to get into their blood and cause an excitement among college students which is very difficult to control. They began to shout and dare me to be more bold in my statements. They wanted to hear more about "the Jews"! They goaded me and heckled me on this subject, until, finally, I burst out, - "If you keep yelling for it, I'll GIVE it to you!".

The entire student body errupted into rousing chorus "Give it to us! Let's have it!"

"All right!" I roared, "I'll give it to you!".

With every ounce of energy at my command I proceeded to drive home one after the other the damning statistics of Jew communist-Zionist race-mixing treason to America and to the White Race. I named dozens and dozens of traitors like the Rosenbergs, Gold, Moskowitz, Cohen, Coplon and on down the list of Jews who have been convicted by American juries of treason to the United States. I pointed out that the Russian Revolution was not Russian but Jewish! I named names, one after the other, in damning succession - Trotsky, Bronstein, Litvinoff, Finklestein, etc.!

An absolute hush fell over the audience as the facts, the truths, the damning evidence of Jewish treason ripped into the hearts and minds of the young students sitting there.

The Jews COULD not permit this to continue. They realized that such a speech, if multiplied at every college throughout the country, would completely ruin the phoney picture they have built up of the Jews as "patriots" and lovers of "brotherhood", "tolerance" and "liberty".

While I was deeply engrossed in "pouring it on" a young man began to walk slowly towards me from the side of the stage. The minute I saw him, having had some experience in being stopped in the middle of speeches, I presumed that he was a member of the committee and that I had been ordered by the authorities to cease speaking.

POW!

I was prepared to comply with this request since I was an invited guest. I leaned over the microphone to ask the young man if he wanted to say something to me. He replied, "I'm going to speak here", - and he began to push me away from the microphone. I braced myself to prevent being pushed away, and the next thing I knew was that I was dazed and staggering back from a right hook on the left cheek.

As soon as I recovered my wits enough, I prepared to meet his attack. Lt. Holstein, who had been standing approximately ten feet to our rear, hit him like an express train and my Jewish debating opponent tumbled head-over-heels.

I was hustled out the back door of the stage by the "committee" while matters were calmed down. I insisted on returning to finish my speech. This was granted and I stepped back to the microphone, where I spoke for another ten minutes, answering questions for another ten minutes.

At the conclusion of the question and answer period I was asked if I would grant a press conference in one of the buildings of the university to which I agreed. As I left the stage the huge mob errupted from their seats and swept Lt. Holstein and Lewton away from me so that I was absolutely alone, jammed in the middle of a churning mob as I climbed slowly up the hill towards the building where the press conference was to be held.

AT THE MERCY OF THE CROWD

This slow progress in the midst of the mob occupied about 15 minutes during which I was pelted with eggs and rocks and insulted. However, in spite of the extreme danger of being trampled or mobbed, the crowd confined itself to the eggs, rocks and shouts. These were interspersed with the usual handshakes from young men and women admirers who pushed their way close and extended their hands and made remarks about admiring my "guts" in spite of perhaps not agreeing with my ideas.

At one point when I was hit with a rock I lost my temper for a sec-

ond and started back towards one of the people who had thrown it but stopped immediately when I realized that this would have meant a violent riot in which I was in no position to survive. So I proceeded to the interview and was able again to place the facts of the communist-Zionist race-mixing conspiracy before millions and millions of people on radio, TV and front pages whom we could never reach with all the pamphlets and speeches and meetings in the world.

It is important to reflect, in evaluating this story, the REASON for subjecting myself and our troopers to the terrific danger we face in these mobs.

Perhaps it is best summarized by the Jews themselves in the article in the Jewish Post and Opinion, when they stated that hysterical Jews and our opponents themselves have supplied us with the ammunition which has enabled us to be catapulted into the imagination and hearts of Americans. It is easy for the Jew-dominated mass media to ignore private right-wing meetings and to misrepresent what goes on.

BUT IT IS IMPOSSIBLE TO IGNORE THE MASS AND MOB ACTIONS WHICH ARE THE JEWS' ONLY REPLY TO OUR PUBLIC EXPOSURES OR TO IGNORE OR MISUNDERSTAND THEIR IMPLICATIONS!

BIRTHDAY PARTY

The next day, March 9, was my birthday. The Los Angeles division of the American Nazi Party had organized a wonderful birthday party for me at which I was presented with a new attache case and a beautiful cake which they had been able to get a bakery to fix up with swastikas and congratulatory messages.

The same night I was asked by the TV channel right across the street from the Tom Duggan show to make a half-hour TV interview which we successfully did.

An interesting sidelight on this show was that the producer, a man named Roston (Jewish) was very friendly and cheerful at the beginning of the interview but was obviously depressed and heartbroken at its conclusion.

My analysis is that Mr. Roston expected a wild man, with horns growing out of his head, to make an idiot out of himself raving on the TV, and when I did not accomodate him, but rather drove home the points of the communist treason intelligently but relentlessly, I think Mr. Roston began to "smell the gas". He looked very pale as we left and said he wished he could wish me luck, but he knew he "would die fighting me".

I told him he had nothing to fear if he were not a communist or a Zionist or engaging in any treason against America. He said he was none of these but he still "knew he would die fighting me".

Lt. Holstein suggested that since I had stated we were against pansies and queers just as much as communists and traitors perhaps that was why he was afraid.

NAZI CALIFORNIA

I found California no less enthusiastic for the Nazi Party than I had heard. We started with over three hundred interested prospects and kept more than twenty-five per cent of these, -more than eight times the usual percentage we have come to expect. In addition, we found three large "cells" of secret Nazis who have agreed to work with the Party, and at least ten men from these groups will come into the open with us. I was able to raise the money for the operations in California and for the trip to Houston entirely from the local people, plus fifty dollars we raised for the Los Angeles headquarters.

Since I left L.A., the unit there has held major uniformed pickets of Communist activities and locations, with excellent results. When our men dragged the Communist flag in front of red book store in Hollywood, many citizens actually stopped and asked to walk on the red rag, -and did so!

WE AGAIN EXPOSE REDS

But the best result in L.A. was the recruiting we did from the en-

emy! We won over two men from the Communist Party, -and I insisted that their first "act of contrition" must be to go to the Federal Bureau of Investigation with complete exposures of their former activities, secrets and fellow conspirators. This was done, and Kenneth Rauen, -a personal friend of Gus Hall, Dorothy Healy and other of the red rats, -spent most of a day at FBI headquarters giving them names, dates, passwords, secret rendezvous points, message-drops, etc!

For this loyalty to his Country and his people, Rauen was threatened with death by the reds, who use an employment agency in L. A. as a front, until the F.B.I. cooled off these filthy terrorists. Nevertheless, for striking such a blow at treason, Rauen was attacked on the next picket line in Hollywood by ten thugs weilding tire-irons, and led by a Jew.

REDS ATTACK WITH TIRE IRONS

Only four of our men were on the line at the time, and all of them were cut and injured. But Rauen the especial object of the Communist's hatred, was beaten senseless with a concussion, and taken to Los Angeles General Hospital, where he recovered. Three of the reds were arrested and charged with assault, although the Jew leader escaped, but not before Bob Lewton gouged his eyes with his thumbs, after being attacked by this Jew goon.

This is the kind of activity which has earned us the burning hatred of the Jew-Communists and their accomplices, -and which the "conservatives" simply cannot comprehend. The reds NOW have thousands and thousands of "Kenneth Rauen"'s in their filthy apparatus of treason, because stuffy reactionaries calling themselves "conservatives" won't take the trouble to ANALYZE the political situation and imagine they can win the YOUNG, FIGHTING IDEALISTS we need by the thousands with warm dish-water programs of "safe" and easy methods.

Kenneth Rauen, and thousands of good racial Americans like him are NOW in the red apparatus and fighting us because they have been taught by propaganda, -and unfortunately by experience with conservatives, that "right-wingism" and pro-Americanism is mostly a movement of old folks, rich people and cowards who don't dare say what they mean for fear they will be smeared or lose their money. Young IDEALISTS are not afraid of danger and risk, they welcome it, --and they are utterly repelled by the disgusting cowardice and pussy-footing of "right-wing" leaders. Even worse, they very rightly hate the selfish and greedy preoccupation of most of the right-wing with MONEY, so that the Communist propaganda SEEMS true, and therefore the only place where a fight -a dangerous fight for IDEALS seems to be going on is the COMMUNIST PARTY.

OUR SECOND DEAD RED

The two ex-Commies we won in California are only the second of our successes in this field. The first was Roger Foss, who gave the FBI three whole days of information, --which sent Valentin Ivanofi, the First Secretary of the Soviet Embassy in Washington, -packing back to Russia, -the BIGGEST Soviet official ever caught and exposed in the USA

--and WE got him because we won over a YOUNG IDEALIST!.

Only a desperately fighting idealistic movement can win these red young men over to sanity, and we will soon have hundreds and then thousands of them. And all the while, the right wing blind-men and cowards will continue to excuse their own cowardice and blindness by explaining, as they do now, --that we are "working for the Jews"!!!!

How these timid souls and peanut-brains will cringe when they realize the enormity and wickedness of their error!

As I write these words, I am facing almost certain jailing, mobbing, and perhaps worse in New York City, the pulsing, beating red heart of treason in America, But I am going anyway, because SOMEBODY has got to attack the HEAD of the OCTOPUS. And I win either way. The more they beat and attack me or falsely imprison me, the more we win the young idealists and expose the terrorism of the Jews. I start for New York City at five A.M. tomorrow, -and HOW I wish I could take some of those who are so glibbly saying I am working for the Jews, so they could enjoy with me the gratitude of my Jew "bosses" in the mob, -or in "The Tombs" locked up with red hoodlums!

ON TO HOUSTON

From Los Angeles I took a "night-coach" jet to Houston, Texas, where we have about a hundred members or interested friends. From a hotel I called the news director of a radio station who is our top man in the area. I got together with him, and visited or called as many of our people as possible in an effort to put a unit together there. We do not have the necessary strength there, yet, however, and will have to grow some more before Houston can boast a headquarters like Arlington, Chicago and Los Angeles.

But there are many wealthy right-wingers in Houston who "know the score", -and, as soon as they discover that we are NOT working for the Jews, I am sure they will back us instead of the "nice" outfits presently reaping a harvest of cash but not risking their lives or their liberties in the kind of fight which BUILT this great Nation in 1776.

I was able to raise the fare to get to Jacksonville in Houston, and proceeded to this Florida city where we had over three hundred persons indicating considerable enthusiasm for the Party.

Warren Folks, the "Mayor of Hogan Street", differs with me on the subject of the FBI, which I believe is honest and good, -and "cops", who are mostly stright, I believe. But he extended me the utmost help and co-operation as a fellow White Fighter. He has suffered much from Jewish persecution for the magnificent fight he has put up down there.

But, on the whole, I was disappointed in Jacksonville. Too many of the "rebels" there and in other parts of the South are still determined to fight the Civil War again. They simply cannot accept that we cannot win back control of our government by legal methods alone, and that the

old Klan methods are pure suicide. They are brave men, full of fight and dedicated, -but they insist on battling the police and FBI instead of the enemy, --and most cops and FBI men I have met privately feel as we do. They MUST do their duty, as did General Walker at Little Rock, but that didn't make the General a leftist race-mixer. There are some rotten law officers, of course, but I have survived and grown because so many of them are NOT rotten.

We got excellent coverage in the Jacksonville press, TV, etc. In fact, the Mayor had to get on with a statement that I was a liar when I said we had "three hundred members", -which I did not say. But he is out to be governor, and wants the votes of the pig-sty at Miami Beach. The Jacksonville police, because of the prevailing battle between the Segregationists and cops, -followed me around in the most ludicrous fashion, and I enjoyed some fun now and then kidding them as they sat pitifully hungry outside homes where I was being entertained and fed.

I was invited to make a half-hour TV show, and the cab which was supposed to take me there was driven by a giggling idiot of a creep who didn't know the town or where the stateion was, nor would he call his company to find out. He made me ten minutes late for the show, and all over a swamp looking for the station. I refused to pay for the extra driving around, and when I emerged from the Studio, the Police and TV wagons were there with flashing lights, -a very big "deal" over the 45¢ I didn't owe and wouldn't pay. I again refused to pay for extra riding around, was arrested, jailed, and finally bailed out by one of the TV men. (My own people didn't know where I was at the time). It was unpleasant to be in jail again, mugged, etc, -but it insured use of the TV show tobest advantage and I maintained a stand for principle.

NAZI HONOR SQUAD

The next morning I took the relatively short hop back to the Washington, D. C. Airport and was met by Lt. Davids leading a squad of our uniformed men, including Trooper Ferris and Storm Leader Braun, fresh out of the Virginia prison after doing a year for stopping a little Jew hood from throwing rocks at our headquarters.

Since I have been back the pace of activity has been tremendously stepped up on all fronts. We have men facing jail in New York, Washington, Arlington, Chicago and Los Angeles, mostly for disorders resulting from dragging the Communist red rag in the streets. In Chicago, the Police have bent under intolerable pressure and one of them has accused our duty-officer, who has to wear a side-arm because of the attacks, of "threating" with a deadly weapon, including a charge that the pistol was pointed, --which it was not.

On a flying trip to Boston, I continued the fight for the use of the Boston Arena for a joint rally with the Muslims, and got the Boston ACLU to enter the case as Amicus Curiae, which just about assures victory. In addition, I managed to make some radio and TV broadcasts in which we once again used the Jew's own media to expose the Jewishness of Commun-

ism and race-mixing, etc. We had an unhappy experience when the local Jew terrorists scared our Boston businessman so badly that he had his telephone yanked out after we had sent out notices to almost two hundred good supporters in the area asking them to call the number for location and time of a meeting.

In Washington, while attending the hearings with General Walker, we were evicted by the guards after Jewish Senators and Representatives demanded that we be thrown out for wearing tiny lapel pins of the party. The rest of the audience was not disturbed for wearing lapel pins of all kinds, including a lady seated right behind us with a big star of David hanging around her neck. If it had not been the great General Walker testifying, I would have forced them to CARRY us out before we would bend to such Jew arrogance. But I did not want to disturb the hearings any more than they already had been. When a Communist next testifies, we shall go and see if the Jews want to carry us out.

The magnificent General has repeatedly refused to condemn us. So the local pinko reporter for the Washington News, who put a spy into this organization and lied shamlessly about us, ("Commissar Kelly" we call him), dogged the General for two days about this, until the exasperated General replied in the only way available to a real man when he is pestered by such a buzzing human insect.

Then in New York, -since the first part of this was written, I narrowly missed a SERIOUS frame, an "assault" charge sweetened up as "disorderly conduct" when a Jew got a warrant before a Jew judge, with eighteen Jew witnesses that I HIT THE JEW, --when it was I who was attacked in the New York Supreme Court while giving an interview two years ago. It's all on TV film, but these arrogant Jew liars and terrorists figure they can get away with ANYTHING in Jew-occupied New York. And they aren't far wrong, --for a while yet.

Today, Saturday, April 21, Lt. Bernie Davids, regular editor of "THE STORMTROOPER", just got out of prison where he was sent by a Soviet style lady Judge in the District of Columbia FOR TRAMPLING ON THE RED COMMUNIST RAG WHILE CARRYING HIGH THE AMERICAN FLAG! --Believe it or not! She said we had to show the same respect for the RUSSIAN FLAG!

And on May 1, "MAY DAY", -three brave volunteers will picket the giant Communist Party rally in Union Square, wearing Nazi uniforms and calling for the gas-chamber for all traitors, in accordance with the U. S. Constitution! This will be a great anti-Communist victory in N. Y.

Walter Winchell (Izzy Lipshitz) and the Jew papers are now openly calling for their "troops" to murder me and the rest of the brave Americans who stand with me in the streets defying the Jew terrorists!

WELCOME, BRITISH NAZIS!

Yesterday, April 20, was Hitler's birthday, and in the midst of the solemn ceremonies here, we received an overseas telephone call from our fighting comrades in England, where they too were holding an amazingly huge celebration of the Great Day. They imparted the wonderful news that there has been a split in the British National Party. Just as is happening here, the extreme attacks of the Jews and their accomplices is forcing the left to the left and the right to the right. John Bean and the "nice" Nazis have split off from the great Colin Jordan and John Tyndall. Jordan and Tyndall, together with most of the fighting men of the old British National Party will now hoist their flag openly as the British National Socialist Movement and openly ally itself with us and the growing Nazi fighting groups we already have in Denmark, Iceland, Sweden, Belgium, Spain, Italy, Argentina, Australia, South Africa and many other Nations including even Japan!

Can you hear the sound of those marching Nazi boots again, Jews?

All your filthy lies about Germany and the Nazis are only helping inspire young FIGHTING MEN everywhere in the world to STAND UP AT LAST TO YOUR ROTTEN COMMUNISM AND RACE MIXING.
